OrgSupport Increases Organizational Effectiveness

Providing boards and executive directors with the services they need to move organizations toward long-term sustainability and growth.

Membership Management

OrgSupport manages your membership and donor needs via database, invoicing, and system maintenance.

Communications

We facilitate communication among your Board, constituents, members, and staff. We schedule your meetings, call for rsvp's, and ensure your Board has the information they need.

Meeting Coordination

OrgSupport handles Board & committee meeting coordination and preparation including attendee announcements, meeting minutes, and maintaining an archive of all documents.

Mail & Telephone

We will professionally and courteously handle your day-to-day mail, telephone, and email providing you with a full-time presence. We can provide a unique phone number for your use and answer your general inquiries. We also manage bulk mail needs.

Archives

We support a paperless environment where all your archives are organized, accessible, and secure. Document retention is based on a consistent document and records retention policy.

Bookkeeping

We work with your treasurer or executive director to maintain your accounting records, including budget development, payroll, payables and receivables, financial reporting, membership transactions, donations, invoicing, and much more.

Document Creation

Our regular services include agenda setting, creating Board packets, maintaining databases, and composing policies, bylaws, and protocols.

Compliance
